<b>Number</b>	<b>Notes</b>	<b>Actions</b>
<b>1.</b>	<p><b>London College of Fashion East Bank / Poplar Works update - Anna Jobson</b></p> <p>LCF is more than 100 years old, spread over 6 sites, a member of UAL the 2nd arts largest university in Europe with a strong interest in social progress and being a force for positive social change in education and industry.</p> <p>September 2022 LCF will open a landmark campus in Olympic</p>	<p>Invite Claire Swift to talk further about Poplar Works.</p> <p>Laura Gander-Howe the Director of Public Engagement and Culture should attend another meeting to elaborate on certain points about the new LCF site and it's intentions.</p>

park on the Eastbank bringing together majority of resources from their sites across London. They will retain a branch in Mare street to continue supporting new business.

The future focus is to find out how to encourage responsible fashion enterprise, more culture programming for the East bank site and community engagement.

LCF has recently collaborated on a site for Fashion Enterprise in Poplar. Poplar Works is partly funded by GLA where 81 disused garages have been renovated to turn into a fashion ecosystem hosting educational courses, enterprise and studios. Soon to open early next year.

Cllr. Nick Sharman - There is the concern whether Eastbank will truly reach out to the diverse communities and the schools in the Olympic boroughs so what would their methods be?

Yvonne Martin, Wickers - They would be interested in LCF partnering with their charity this would benefit their young people.

Sir William Atkinson - Is there a to coordinate effort to engage with the local communities amongst the major organisations and universities?

<p>2.</p>	<p><b>Fish Island Village update / Sustainable Fashion Accelerator - Patrick Scally</b></p> <p>The Trampery currently has 6 locations with an agreed 25 year Peabody collaboration they are building Fish Island Village a 6 acre campus including 7000 sq. community space. A home for emerging and start businesses.</p> <p>Fashion advisory board selected from the studio applications based on sustainability and community focus.</p> <p>63 designated studios various sizes including desk spaces available. Studios have a 1 year minimum sub lease. £25 per sq. foot utilities are included, electricity is seperate.</p> <p>1st studios opened from October '19 ahead of the grand opening, the site gives access to some manufacturing and fashion services. Focusing on supporting slow fashion.</p> <p>Trampery have a program called Sustainable Fashion Accelerator funded by LLDC to encourage sustainable companies and support mental health.</p> <p>CLlr Nick Sharman - How will you integrate the local area, what are the long term plans in doing so? What is the sub lease? £25 per sq. ft is quite high.</p>	<p>There will be events at Fish Island Village you can visit their website <a href="https://thetrampery.com/">https://thetrampery.com/</a> and the date for the grand opening will be shared via online platforms including the CIG newsletter.</p>
-----------	--	---

<p><b>3.</b></p>	<p><b>Telford Homes Fumes inquiry</b></p> <p>Sir William Atkinson brought to attention the complaints about the smell of fumes from the Telford Homes site and wants to know if there has been any action implemented about the complaints.</p> <p>Cllr. Nick Sharman states that he has had complaints about the intense fume smell as well and the construction development has been disruptive for many.</p> <p><a href="#">Lavinia Blogg, Four communications - There will be an updated newsletter on their website</a></p>	
<p><b>3.</b></p>	<p><b>East Bank branding / HWFI hoarding map - Lorna Gozzard (LLDC)</b></p> <p>Eastbank hoarding branding focuses on East London tradition and future transformation. Language used and font type will be easy to read for the many different language speakers in the area.</p> <p>Photography will be human based representing the people within the local community. Hoarding will have consumer led information more about the people rather than the buildings.</p> <p>Creative Content Group and Park News will advise on how to share what activities and engagement are available in QEOP.</p>	<p>Plan to come back to the CIG meeting and give an update on the progress of Eastbank site</p>

<p>4.</p>	<p><b>Community Concept Store - Yasmine Patpatia</b></p> <p>PAT, a social enterprise plans to open Spring 2020, currently trying to find the right building and funding.</p> <p>Aim is to give 100 % sales to their artist and designers.</p> <p>It will focus on slow fashion designers and sustainable businesses, providing a business mentor program, will host events to benefit diverse groups of the community and aim to work with underprivileged people.</p> <p>PAT will be self sustainable generating funds through renting co working space and cafe. PAT will encourage collaborating with local businesses and team up with local suppliers, employ refugees as staff, train and employ homeless people.</p>	<p>Devising a questionnaire to ask artists what they would like in a co working, retail and cafe space</p> <p>Contacting Hackney Council for community asset buildings</p> <p>Please contact Yasmine <a href="mailto:yasminepatpatia@gmail.com">yasminepatpatia@gmail.com</a> if you have any leads and advice</p> <p>Simon Cole from Hackney Tours would like to connect with Yasmine to help her.</p>
<p>5.</p>	<p><b>Hurlington/The Collective update - Harry Manley/Sofie Ellice-Flint</b></p> <p>The site will be on Wallis road site opposite Lord Napier pub and Bagel Factory.</p> <p>The Collective a 5 years old co-living developer and operator.</p> <p>Their aim is to combat loneliness and isolation by creating a live work network. 240 short stay / hotel rooms, ground floor retail, work studios and commercial space. There will be an open</p>	<p>Looking for organisations who want to use their facilities</p> <p>Contact : <a href="mailto:hello@34-38wallisrd.co.uk">hello@34-38wallisrd.co.uk</a></p> <p>Events about remediation and pollution will be shared on the website and via newsletter <a href="http://www.34-38wallisrd.co.uk">www.34-38wallisrd.co.uk</a></p>

	<p>door policy for local communities to use some of their facilities, working with intermediates already established in the local area.</p> <p>Schedule Plans - Remediation programme for 2020 / Construction begins September for 2020 / Completion for 2022</p> <p>The site has a history of industrial manufacturing so there will be a detailed risk assessment of pollution with sustainable solution and reviewing the impact on local residents.</p>	
<p><b>6.</b></p>	<p><b>Construction traffic update</b></p> <p>Catherine Smyth, LLDC - There will be a meeting on Monday about the traffic and fumes, plans about a possible one way system on Wallis road heading towards the bridge. We are committed to monitoring traffic disruptions.</p>	
<p><b>7.</b></p>	<p><b>Creative Enterprise Zone update</b></p> <p>Lorna Blake announced that the - CEZ manager will be announced in January 2020</p> <p>Added the opening of North side entrance to Hackney Wick station is currently at the stage of making a draft legal agreement between LLDC and Hackney council.</p>	

<p><b>8.</b></p>	<p><b>A12 Undercroft update</b></p> <p>Claire McAndrew, The Bartlet - They have had a meeting with Hackney Council and Transport For London with a healthy ongoing dialogue the next group meeting scheduled in January.</p>	
<p><b>AOB</b></p>	<p>Simon Cole, Hackney Tours - Towpath is becoming more violent</p> <p>There has been an increase in criminal activity against the boating community and people using the tow path. Devastatingly there has been day time robberies and attacks as well.</p>	<p>Urging people to contact the police about any violence and criminal activity so the police know the levels and impact of what is going on.</p>
